## "A Sound Mind in a Sound Body"

The American College of Greece has a long tradition of excellence in the field of education in Greece. The Pierce **Summer Camp**, offered by the Deree College Athletic Club, is a part of this tradition and has provided an unparalleled experience for thousands of children. Each child can participate in **two morning** and **two afternoon** activities every week. The program is primarily in Greek but the English language is also used by the instructors, when needed.

### 9 Morning Activities (9:00–12:00)

The sports program in the morning aims to the development of the child's athletic skills.

Swimming  
Football  
Track & Field  
Basketball  
Volleyball

Tennis  
Tae Kwon Do  
Kids Pilates  
Hip Hop

Children may select two activities per week

### Recreational Activities (12:00–12:45)

Children have the opportunity to try some extra leisure activities such as

**Archery**

**Climbing** (after written consent by the parent / guardian)

**Swimming**

**Table-tennis**

**Board games**, etc.

These activities are optional, and not selected during registration.

### Lunch (12:45–13:30)

Lunch is served at the Pierce restaurant. The menu is selected by the Camp nutritionist and is designed to meet the nutritional needs of the children with special emphasis on the selection of healthy and vitamin-rich meals.

### 10 Afternoon Activities (13:30–17:00)

The afternoon program strives to develop competence in educational and cultural activities.
